

WARNING !

1900. Report.

April 12, 2004

„The terrestrials are coming more and more to a point, when all the **coarse-vibrational places on this planet Earth will be CLEARED**, and relieved also of the **INFLICTORS themselves – the negative people**, who thus live the negative state, since they had chosen many corresponding alternatives in this life, and in the past lives as well.

The **PLANET EARTH cannot already tolerate any more this increasing burdensomeness of coarse vibrations, and wants to live by itself, clean, according to the spiritual level it reached.** Therefore, as we, the universe people of Powers of Light, have already reported to terrestrials (for example, in the 109. report, published in the 1st volume of the series „Talks with instructions from my cosmic friends“), the **coarse-vibrational places will be flooded by the sea, because these parts of mainland with that pollution will SUBSIDE.** Melting glaciers will cause rise in sea level. That ascending will be during the process insignificant in comparison with such **HUNDREDS-OF-METERS DOWNWARD** subsidence of mainland, which is spiritually related to the **SUBSIDENCE of all the mentioned negative people, who had chosen corresponding alternatives, into the dark zones of expulsion (the sea).** Concurrently it means, that their existences will be shifted to commensurable dark worlds, where they shall work as **SLAVES, JUST FOR THE AIR, FOOD AND EVERYDAY CLOTHES**, since these pseudosocieties are located in the underground, on the desolate planets with zones of expulsion. These unfortunate persons thus get under the baton of pseudocreators **more opportunities of finding to their cost of pseudoliving in the negative state.** There again, like here on the planet earth, they will get many chances to **TURN for the better, back to the positive state**, again on the basis of many choices, which can be made any time.

The darker worlds, where these poor people find themselves, the more difficult it would be for them to make these choices, because on all lower levels of darkness a being is adequately more **BURDENED BY THE CONSEQUENCES AND OUTCOMES OF PREVIOUS PERSONAL DECISIONS AND ACTS.** It also means, that the spiritual system of such entity gets more and more blocked, and in such case are also limited possibilities for transmission of the right information through the inner way from us, the Universe people of the Right Creation. However, that entity shall also in future **RECEIVE – ALWAYS –** from us, the Universe people of Powers of Light, the right information regarding the optimal choices, necessary for the return back, into the Right Creation, from the dark worlds of zone of expulsion, regarded as a waste bin of the Right Creation.

Therefore we, the Universe people, **RECOMMEND TO YOU ALREADY HERE, ON THE PLANET EARTH, to ATTEND and APPRECIATE THE POSITIVE AFFECTIONATE APPROACHES**, which at times you can see around. These are adopted by individuals, who make thousands of choices how to live the **RIGHT LIFE** in the Right worlds of the zone of positioning – in **HEAVEN** of our beloved primary Creator of everything and everybody, who that all thus creates; for Him we work with love. He gives the right life to **anybody who cares about that.** Such beings, who already sufficiently experienced hundreds and thousands of lives in the dark worlds, when they either fulfilled a light mission or on contrary they subsided to a lower level, are able to appreciate the right values of the right live in their native **CELESTIAL WORLDS**, since they already see and **FOUND TO THEIR COST the millions of CONTRASTS, related to various types of live in the dark worlds.** When many of you come back again, we all shall rejoice and celebrate your coming Home, and simultaneously there shall occur a distinct spiritual shift everywhere in the Creation. This was transmitted with love in heart to all of you, dear people, by **Ashtar Sheran**, the commander of Grand cosmic squadron.“

„And now I, the cosmic squadron commander from Pleiades **Ptaah**, join in the conversation. Yes, this important **WATERSHED IN YOUR HISTORY** is quickly forthcoming and we are looking forward very much to the **ASCEND – when some of you will CHANGE VIBRATIONS, as the individuals, who were continually choosing the POSITIVE LIFE in the course of many spiritual tests, were held up as an example for their fellowmen, PURGED themselves from their previous sediments burdening them already in their past lives, and also in part of this life, so that they return as much lighter beings back, to their RIGHT HOME.** Yes, thus are these events very near, and it will be the climax of that significant phase – of the final stage of elimination negative state. (More about that process you could find in the book **NEW REVELATION OF LORD JESUS CHRIST.**) That all was transmitted with love in heart to all of you, dear people, by the cosmic squadron commander from Pleiades Ptaah.“
